Handicap Seminar

What's the purpose of having a handicap?

How do you establish your handicap? How to track your handicap correctly?

- Come out and join this seminar and find out all you need to know about the handicap system. It's really not that complicated and it will allow you to monitor your own personal achievements on the course.
- Want to try your hand at a little competitive play such as Match Play or our EWGA Chapter Championship? You'll need to establish a handicap to do this, so let us help provide you with the tools you need to enrich your golfing experience.

Date: Tuesday May 17, 2011
Time: 7:00 p.m. to 8:30 p.m.
Location: Mississauga (Dixie & 401)
