Tis the Season

Though your clubs maybe in the closet (or still on the links in warmer climates or still out there for you die hard Ontarian's) your executive team has been busy. We have met to plan the 2012 season.

Here are some highlights:

- The membership survey had a 16% return rate and generally members are happy with events, communications, and venues chosen for weekday, weekend and Member Course play.
- All competitive events will continue to welcome non-competitive golfers
- Volunteers are the key to our success and when registering for events we encourage members to sign up to help.
- **2012 opener will be April 28th at Station-Creek Cherry Downs G&CC, one of the Clublink courses.**
- Dates for weekends, weekday play, and special events have been selected so no overlaps take place.
- Stay tuned for opportunities to develop your game and knowledge of rules and handicap.
- Winter activities, to network and keep in touch before the golf season, have been discussed and are in the planning stages
- Area to develop are to increase in networking opportunities
- Strengthening our relationships with sponsors, and developing new sponsors
- The website will be having a makeover to help with navigating the links, we know the site is a significant tool for communication.
- Rules and Handicap Chair is still open. We are looking for someone who wants to step up to the opportunity.

On behalf of the 2011-2012 Board of Directors we wish you peace and happiness this holiday season and all the best in 2012.
