Annual Spring Kick-Off – Registration opens Monday, March 22nd

Be sure to register for our Annual Spring Kick-Off set for May 1 at the Club Link course, Station Creek Golf Club. Join us for a fun day of golf, networking, special events and dinner. With extensive renovations, a fabulous new clubhouse and about a 15 minute drive North on Hwy 404 from the 401, this recently transformed 36 hole-layout will make for a great day of golf. Remember to bring prospective members out to this event and you could win a round of golf for four people at this fabulous Club Link course.

The more prospective members you bring the more chances you have to win. Each name will count as one ballot towards the draw and will be awarded at the close of our Kick-Off. More prospective members = more ballots + more chances to win!

Did You Know?

The Featherie Golf Ball

Around 1618, cheap wooden golf balls were replaced by extremely expensive leather covered balls stuffed with feathers. A top-hat full of feathers were boiled and crammed inside a wet leather casing. As the stitched leather cover dried, it shrank and hardened around its contents. The featherie was formed into a round shape and covered in several coats of paint. The ball lasted no more than a couple of rounds, less if it became wet. A featherie maker could produce no more than four a day and they were only available to the wealthy.
