### Focus on the Fairways: Oakville Executive - Angel's View

If you have not been out to Angel's View this year, you are missing out on a gem of a course in the Oakville area. Just west of Toronto, on 4th line, you will see why this course was awarded the EWGA Canada seal of approval for a Women's Friendly course in 2009, and labeled as the Best Kept Secret in the GTA.

Playing this 9 hole, rated course is a great way to eliminate those work stresses and enjoy not just a great course but also a great clubhouse. This well manicured course, runs adjacent to the Sixteen Mile Creek, and offers up the most magnificent natural landscape. I have been told that they will hand water the greens just to make sure that their highest standards of plush greens are kept. Now, please don't let the 9 holes deter you from coming out, as the strategically placed bunkers and many water hazards allow for a challenging game. And after the round, join the rest of the ladies in the clubhouse for what I would say is the best food on any golf course in Ontario. I am particularly fond of the veggie Panini, or one of the many specials of the day.

Also, note that there has been some road construction around the course this summer, but click the site or call the club for directions and details. Once you get out there, you will wonder why you have not been out before, as the drive is so easy.

And lastly, the friendly staff at Oakville Executive, are always willing help the EWGA ladies link up and make the most of our game. Hoping to see you out on Wednesdays

Check the Member Course Page on the GTA website for pricing details.
